Dear Friends:

Welcome to St. Brendan's Parish. On behalf of the parish staff, community and ministers, I hope you find your home here spiritually fulfilling, socially engaging and rich with apostolic opportunities.

Enclosed, along with a census form, you will find a two-sided survey. We invite you to spend some time completing this valuable tool as well. One side asks what we can do for you, the other side suggests gifts and talents you might be willing to share with your new faith community. It is not an exhaustive list, as we welcome new and creative ideas inspired by His spirit. Along with the universal call to be Holy and to evangelize, we follow Jesus Christ as active disciples and we invite all members to engage our parish according to their ability, not simply attend the services.

Please visit our website frequently where you will find the weekly parish bulletin, contact information and other related resources. As always, it remains a work in progress as our parish continues to grow and readjust to a changing world.

If you have not done so already, please introduce yourself after mass. Again, welcome and God's blessings on you.

PS: If you are registered at another Catholic parish, we simply ask you to let them know that you have changed parishes so that you are not being carried on two parish membership lists. Feel free to do this by phone call, note, email or in person.
